Message From The Principal

Dear Students of the Maxson Class of 1998,

On behalf of the entire Maxson faculty and staff, I want to thank you for the opportunity to have a role in your growth and development.

I hope we have made a difference in your ability and confidence to face the future. One of the great pleasures of working in education is the opportunity to visit with former students. Their stories of obstacles overcome and goals attained are what sustain teachers and principals. So, I want to encourage you to come back and visit. To tell us of your successes and allow us to support you in your continued struggles. You are forever part of the Maxson family.

I want to wish you all a bright and hopeful tomorrow.

You will be missed.

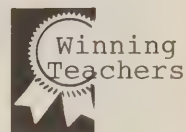

Sincerely,

Mark Jackson

Under the training and coaching of Mr. Richard Sussman, our chorus had a great Winter Concert. They visited and sang for many of the district's elementary schools. The Chorus members, and budding directors say, "they have a good time and really enjoy rehearsing and performing."

Farewell!

"Parting is such sweet sorrow!" How can I walk out the door? It is not easy. I must, however say, "so long, goodbye, and adios to the duties as the Yearbook Adviser.

To the students that I have had the pleasure of training and working with, I say to you past and present, "Thank you for your loyalty and tireless work habits." It was great working with you in a crunch. To Sheena Reaves, Brittany Groves, Angela "Star" Haudenschild, Kerrieann Carter, Ashley Sullivan, Gennifer Enchill, and to Tiffani Stevens, Editor, "Thank you for staying to the end." I hope you enjoyed the experience as much as I enjoyed working with you. To the other students who started, but did not stay to the end for whatever reason, "Thank you!"

A very special "Thank you" to Owen Clarke who did an outstanding job on the special effects. Your knowledge and patience was really a big help. Good-bye and thanks for your time, kindness and thoughtfulness in getting the job done. You all are the greatest! Love to you all!
